

The 2023 results are in!

Between April 28 and May 1, 2023, Canadians recorded observations of wildlife in their cities as part of the global City Nature Challenge. See the results at: [iNaturalist.ca/projects](https://inaturalist.ca/projects/city-nature-challenge)

Global Results:

TOTAL NUMBER OF OBSERVATIONS

1,870,763

TOTAL NUMBER OF SPECIES

57,227+

2,570+ rare/endangered/threatened species

TOTAL NUMBER OF PARTICIPANTS

66,394

Canadian Results: (43 participating cities)

74,972

4,433

3,728

MOST OBSERVATIONS

Calgary Metropolitan Region

9,185

MOST OBSERVATIONS PER CAPITA

Cape Breton Regional Municipality

6,331

MOST PARTICIPANTS

Montreal

460

MOST PARTICIPANTS PER CAPITA

Charlottetown

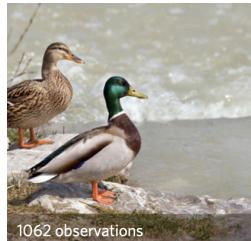

53

MOST DIFFERENT SPECIES OBSERVED

Greater Victoria

1,414

Top five species recorded:

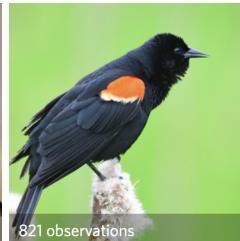

1062 observations
Mallard
Anas platyrhynchos

884 observations
Canada Goose
Branta canadensis

861 observations
American Robin
Turdus migratorius

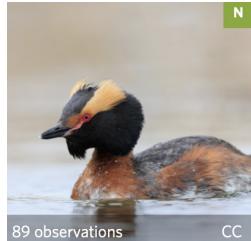

821 observations
Red-winged Blackbird
Agelaius phoeniceus

648 observations
Prairie Pasqueflower
Pulsatilla nuttalliana

Top five species at risk recorded*:

89 observations
Horned Grebe
Podiceps auritus

65 observations
Painted Turtle
Chrysemys picta

59 observations
Boreal Chorus Frog
Pseudacris maculata

57 observations
Barn Swallow
Hirundo rustica

50 observations
Northern Leopard Frog
Lithobates pipiens

833 observations of species at risk were recorded across Canada encompassing **103 species**

*Species are at risk in at least some parts of their range and may not be at risk in all of Canada. Visit cosewic.ca for more information.

Thank you to our city organizers, participants and identifiers who made this a success. The City Nature Challenge allowed people to connect to nature and contribute to scientific research at the same time. Keep uploading observations to [iNaturalist.ca](https://inaturalist.ca) to provide invaluable information all year long to track biodiversity and influence conservation in Canada. None of this would be possible without the support of people like you!

CITY NATURE CHALLENGE IS ORGANIZED BY
